Gopalganj, Bihar

SUMMARY

Enthusiastic B.Tech CSE student with a passion for coding and real-world problem solving. Adaptable and quick to learn, with strong analytical skills and a collaborative approach, focused on continuous growth and contributing effectively to impactful projects.

TECHNICAL SKILLS

Java | **C¦¦** | **Python** | **C** | **MySQL** | **HTML** | **CSS** | **JavaScript** | **PHP**

CERTIFICATION

Cloud Computing

Issued by: NPTEL (IIT Madras) | Jan – Apr 2025

NCC 'A' G 'B' Certificates

Issued by: National Cadet Corps (India) | (2019-2023)

POWER SKILLS

Critical Thinking And Creativity

Applied innovative approaches to solve coding challenges and optimize project outcomes.

Adaptability

Quickly adjust to new technologies and environments.

EXTRA CURRICULAR ACTIVITIES

National Cadets Corps(NCC)

Ministry of Defence

2019 - 2022

Active NCC cadet; participated in drills, camps, and community service activities.

Baburam Devraj Welfare Society (NGO)

Educational Empowerment of women and Children

04/2024 - 05/2024

Volunteered 30= hours in community education programs, focusing on awareness campaigns and support activities.

PROJECTS

Podcast Hosting and listening platform

01/2025 - 04/2025

Tech Stack: PHP, SQL, HTML, CSS, JavaScript

- Developed a full-stack web application to enable podcast creators to **host, manage, and analyze** their content
- Built **podcast management features** including create, edit, delete, and support for various audio formats
- Deployed the web application locally using XAMPP for testing and development.

Telemedicine Web Application

10/2023 - 10/2023

Healthcare problem solution

- Developed a web application to facilitate **online doctor-patient consultations**, appointment scheduling, and medical record management.
- Implemented **secure user authentication, real-time video consultation (Zoom API), and prescription sharing**.

KEY ACHIEVEMENTS

Academia Achievement

Completed 150= coding challenges on LeetCode, improving algorithmic thinking and competitive programming skills.

Sports Achievement

Awarded 'Best in Sports and Games' at Sainik School Amaravathinagar.

EDUCATION

B.Tech. - Computer Science and Engineering

Lovely Professional University

08/2023 - Present Phagwara, IN

Higher Secondary

Sainik School Amaravathinagar

06/2021 - 03/2022

Coimbator, Tamilnadu, IN
